Product Specifications

HDPE/PP – Rolls

- ❖ Woven Fabric Laminated/Unlaminated
- ❖ Kraft Paper Laminated with PE/PP Woven Fabric
- ❖ Some of our special features includes
 - Lay flat size ranging from 152 to 268 cm (Width Up to 2.68 Meter)
 - Circular size of 76 to 134 cm
 - Mesh sizes available: 7 x 7 to 14 x 16 per inch
 - Thickness range available above: - 90 GSM, 100 Microns, 4.3 mil
- ❖ Sizes available : As Per Customer Requirement
- ❖ Special features :
 - Big sized, non-stitched, welded
 - High UV Resistant
 - Fire retardant
 - Water-proof, mildew-proof, dust-proof, tear-proof
 - Reinforced corners

FIBC Jumbo Bags

(FLEXIBLE INTERMEDIATE BULK CONTAINERS)

- ❖ Dust Proof Bag
- ❖ Builder Bag
- ❖ Baffle Bag,
- ❖ Bag with Top & Bottom Spout (Filling & Discharge Spout)
- ❖ Bag with Duffel Top. (TOP SKIRT) etc
- Capability to manufacture bags with different safe working loads and safety factors

READY SIZES

State Of The Art Machinery & Technology

Convenient & Cost-effective Location

- ❖ 150 kms from Mumbai and JNPT Port, easy transit to seaport and airport
- ❖ End to End process from extrusion to tailor-made packaging under one roof
- ❖ Based in Gujarat the biggest industrial hub
- ❖ 50000 Sqft. of plant area

ROPE INSERTION

FACTORY

EXTRUSION PLANT

CHEESE WINDERS

EYELET

Techno Tarp and Polymers

Foolproof Protection For Every Reason, Every Season

ISO-9001 Company

Tape Extrusion Line & Cheese Winder

- ❖ Enhanced With Sophisticated Equipments
- ❖ Four feeder blending and dosing equipment for thorough mixing and uniform gauging of film
- ❖ Melt pumps & static mixers for uniform mixing & dispersion
- ❖ Inverter based winders for defect-free winding
- ❖ Super-heated oven for highest strength of yarn

High Capacity Fabric Weaving Section

- ❖ 3600 metric ton per annum installed capacity for HDPE Tarpaulin & 600 metric ton for FIBC Jumbo Bags
- ❖ Six shuttle circular looms
- ❖ Can produce both flat fabric & circular fabric
- ❖ High protective property with pin-hole free fabric
- ❖ Width capable of meeting varied demands

Well Equipped Lamination & Coating Plant

- ❖ The double extruder TANDEM fasion lamination plant
- ❖ Automatic mixing and dosing units for uniform and accurate mixing
- ❖ Automatic tension controller system
- ❖ Edge trimming device for sharp edge trim cutting
- ❖ Capable of laminating up to 2.15 meter width fabric in one go
- ❖ Capable of laminating both side of fabric in single operation
- ❖ High bonding quality for critical product range like 15 micron lamination
- ❖ Accuracy of maximum variation of 2% in film thickness

Hi- profile Sealing & Cutting

- ❖ The 3 & 6 header automatic sealing & cutting unit
- ❖ Capable of accurate cutting at desired lengths
- ❖ Side hemming (hot sealing) with rope insertion
- ❖ Center sealing of two panels
- ❖ Single header side sealing and rope insertion units.
- ❖ Automatic eyelet punching machine - Continuation Suitable for high precision automatic eyeleting

Quality check at every stage of production

- ❖ Certified for International standards of Quality Management system ISO-9001: 2015
- ❖ High Quality Virgin material used
- ❖ Fully equipped quality assurance & testing laboratory
- ❖ TN process parameters & performance monitored to ensure quality of finished products.
- ❖ Test certificate for each consignment dispatched from the factory
- ❖ Assured Prompt Delivery
- ❖ Backup for uninterrupted power supply for continuous production

Choice Of Packaging To Suit Your Needs

- ❖ A devoted packing section & coding section
- ❖ Two ultra-modern packing baling machines
- ❖ Facility to make bales with or without pallets
- ❖ Approved fumigation facility
- ❖ Corrugated box packing facility for supermarkets display

PALLET PACKING

BALE PACKING

CORRUGATED BOX

CERTIFICATES

- ❖ ISI Marked Tarpaulin IS 7903:2017
- ❖ LABORDATA FIBC Jumbo Bag - SWL - 1000 KG - 1500, SF= 5:1 & 6:1

Foolproof Protection For Every Reason, Every Season

ISO-9001 Company

We Offer Rainbow of Colors

- ❖ Self colored colors, Mixed Colors
- ❖ Reinforced colored bands
- ❖ Fluorescent effects

Brand Name & Logo Printing

- ❖ Lamination with printed films to give attractive & lasting image
- ❖ Customized tarpaulins with brand names and logos
- ❖ Multi color printing

Also available as SAFE TARP

SAFETARP

UV TREATED TARPAULIN

International Recognition & Dealing

- ❖ 100% Export Oriented Production
- ❖ Suppliers to various international NGOs and other organizations

Tarpaulins For Emergency Relief

- ❖ Ideal for shelter and tents
- ❖ Available in custom-designed sizes, colors and thickness
- ❖ Can be economized according to the needs
- ❖ Manufactured on priority basis
- ❖ Delivered in minimum time from offices and depot across the world

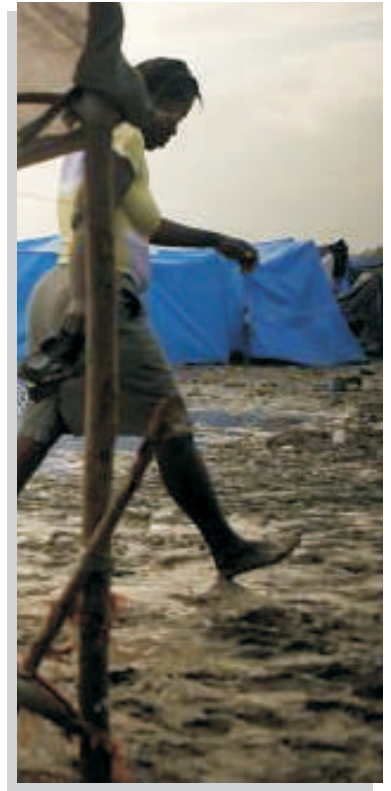

We Believe In Humanity & Social Responsibility

- ❖ 100% pollution free environment & factory premises
- ❖ Lower energy consumption /lower maintenance Machines
- ❖ All effluents treated & tested before discharging from factory
- ❖ All employees above 18 years of age, No Child labour
- ❖ No discrimination by gender, cast, religion and state of origin
- ❖ Safe and healthy working environment provide to all employees
- ❖ Active & company-sponsored Employee Welfare Association
