HOUSE OF TAMPERPROOF SEALS

“TM LOCK + SAFE TIE SET”

Unique Combination Of

**‘SAFE TIE’
&
‘TM LOCK’**

An Innovative Combination For sealing Polybags
& Drums.

DESCRIPTION:

In this novel seals Set we provide **TM-LOCK** i.e. Drum Seal & Two **SAFE TIE** i.e. Polybags seals duly embossed & Hot printed with same Srl. No. along with clients name & logo & specially packed In a Pouch for your easy & effective sealing.

HOW TO USE:

POLYBAG:

To seal the 'INNER' Polybags with one **SAFE TIE** strap seal & 'OUTER' poly bag with second **SAFE TIE** Strap seal out of the set.

DRUMS:

After sealing both Polybags close the Drum & seal with **TM LOCK** drum seal from the pouch.
Thus you will find your drum is sealed with 3 seals which are bearing the same ,identical Srl. No. i.e. on both Strap seal as well as 'STICK' & 'BODY' of **TM LOCK**.
